LATIDO FILMS

We are an international sales agency mostly specialized in Spanish-speaking and European films but open to movies from all over the world. We pursue new talents and support established directors in order to create a catalogue with a variety of high-quality titles. We work as much with arthouse films as with box-office hits. Animation films and ground-breaking documentaries are also substantial in our projects. To ensure our quality standards our line-up doesn't reach more than 15 titles per year.
